Locations: India (HQ)

Industries: Commercial and Professional Services, Software and Services

RISK LEVEL:

Medium Risk

## DESCRIPTION:

Wipro often yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company implements race and identity-based policies that replace merit, excellence, and integrity with preferential treatment and outcomes. Wipro occasionally embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues at times. This approach fails to safeguard free exercise, free speech, and free enterprise.

## Corporate Weaponization

**Has canceled customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Medium Risk**

Wipro's received a score of 70 on the 2025 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group. The company recruits employees based on sexual identity issues. The company discriminates against vendors that do not promote divisive sex and gender policies, indicating it prioritizes sexual issues over merit (1)(2). However, the company has not publicly canceled customers, suppliers, or vendors based on political views or religious beliefs (3).

**Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. High Risk**

Wipro's HRC 2025 CEI rating indicates the company will not donate to non-religious charities unless they embrace controversial sexual identity policies (1)(2). Wipro does not appear to discriminate against charitable organizations based on views or beliefs. The company's charitable giving focus areas are "education, healthcare, ecology, and disaster response" (3).

**Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature. High Risk**

Wipro is a signatory of the Gender & Diversity KPI Alliance, appearing to prioritize diversity over merit in its business structure through the establishment of gender and racial targets for its leadership composition and its support of DEI in its hiring and promotions (1)(2). The company participates in Unconscious Bias training for all of its employees (3). Wipro protects its employees against viewpoint discrimination (4).

## Corporate Governance and Public Policy

**Uses corporate reputation to support causes, organizations, or policies hostile to freedom of expression.**

**High Risk**

Wipro's CEO signed the Business Roundtable's 2019 Statement on the Purpose of a Corporation, which promotes stakeholder capitalism over traditional obligations to shareholders (1). The company is a signer of the Action to Catalyze Tech (ACT) Report, United Nations Human Rights Office Standards of Conduct for LGBTQ people (2)(3). Wipro has been recognized by the Bloomberg Gender Equality Index and India Work Place Equality Index for LGBTQ (4)(5). The company signed an open letter endorsing the Equality Act, a contentious proposal to amend the 1964 Civil Rights Act by adding sexual orientation and so-called gender identity as protected categories. The legislation would, among other implications, grant biological men access to women-only spaces such as sports teams and public restrooms, and compel healthcare providers to deliver sex-denying healthcare (6). Wipro's former CEO, Thierry Delaporte, signed the CEO Action for Diversity & Inclusion pledge, which includes a commitment to promote DEI through bias education training in the workplace, strategize on DEI programs/initiatives with other signatories, and engage boards of directors when developing and evaluating DEI strategies (7)(8).

**Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression.**

**Medium Risk**

Wipro's HRC 2025 CEI rating indicates the company covers transgender related costs for its employees and their children, including paid short-term leave, puberty blockers, cross-sex hormones, chest surgeries, genital surgeries, medical visits and lab monitoring, travel and lodging. By allowing a political stakeholder group to dictate operations, the company increases health care costs and risks dividing employees, alienating customers and harming shareholders (1)(2). Otherwise, there are no publicly known cases of Wipro using corporate funds to advance ideological causes, organizations, or policies (3).

**Uses corporate political actions and/or financial contributions for ideological, non-business purposes.**

**N/A**

Wipro does not operate a PAC or report on its lobbying at this time (1)(2)(3).
