

# World Wide Technology

Locations: Missouri (HQ)

Industries: Commercial and Professional Services, Technology Hardware and Equipment

RISK LEVEL:

High Risk

## DESCRIPTION:

World Wide Technology is High Risk. The company yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company implements race and identity-based policies that replace merit, excellence, and integrity with preferential treatment and outcomes. World Wide Technology embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues. This approach fails to safeguard free exercise, free speech, and free enterprise.

## Corporate Weaponization

**Has canceled customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Medium Risk**

*World Wide Technology received a score of 95 on the 2025 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group. The company recruits employees based on sexual identity issues. The company discriminates against vendors that do not promote divisive sex and gender policies, indicating it prioritizes sexual issues over merit (1)(2). However, World Wide Technology has not publicly canceled customers, suppliers, or vendors based on political views or religious beliefs (3).*

**Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. High Risk**

*World Wide Technology's HRC 2025 CEI rating indicates the company will not donate to non-religious charities unless they embrace controversial sexual identity policies (1)(2). However, World Wide Technology does not appear to discriminate against charitable organizations based on views or beliefs. The company's charitable giving focus areas are "Career Readiness, Human Services, and Health and Wellness" (3). World Wide Technology normally does not offer an employee matching program, but it did offer a matching program for COVID-related causes in 2020 (4)(5).*

**Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature. High Risk**

*World Wide Technology's HRC 2025 CEI rating indicates the company forces employees to attend multiple, controversial trainings on gender identity, sexual orientation, transgender issues, and divisive racial ideology. The company provides gender transition guidelines for its employees and a specific benefits guide with a comprehensive explanation of transgender services funded by the company (1)(2). World Wide Technology requires all employees to complete Diversity and Inclusion (D&I) training by 2024 (3). However, the company does not provide viewpoint protections for its employees (4).*

## Corporate Governance and Public Policy

**Uses corporate reputation to support causes, organizations, or policies hostile to freedom of expression.**

**High Risk**

World Wide Technology's HRC 2025 CEI rating indicates the company agrees to allow a controversial stakeholder group focused on sexual identity issues to dictate marketing or advertising strategy. By doing so, the company risks dividing employees, alienating customers and harming shareholders (1)(2). World Wide Technology's CEO signed the Business Roundtable's 2019 Statement on the Purpose of a Corporation, which promotes stakeholder capitalism over traditional obligations to shareholders (3). The company is a voting member of the QuEST Forum Board which uses its influence to drive climate change (4). World Wide Technology supports ESG within its business practices (5). The company hosted a Trans101 class and partnered with Accenture to host a Pride happy hour. The company also volunteered with the Metropolitan Transgender Umbrella Group (6).

**Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression.**

**High Risk**

World Wide Technology's HRC 2025 CEI rating indicates the company covers transgender related costs for its employees and their children, including paid short-term leave, puberty blockers, cross-sex hormones, chest surgeries, genital surgeries, medical visits and lab monitoring, travel and lodging. Additionally, the company has pledged philanthropic support of at least one organization or event that promotes sex and gender ideology. By allowing a political stakeholder group to dictate operations, the company increases health care costs and risks dividing employees, alienating customers and harming shareholders (1)(2). World Wide Technology lists "gender affirming" health care as part of its benefit healthcare package (3).

**Uses corporate political actions and/or financial contributions for ideological, non-business purposes.**

**High Risk**

World Wide Technology's HRC 2025 CEI rating indicates the company publicly advocated for controversial sex and gender ideology through local, state or federal legislation or initiatives. By allowing a political stakeholder group to dictate operations, the company risks dividing employees, alienating customers and harming shareholders (1)(2). World Wide Technology has not used its PAC donations for ideological purposes and does not engage in lobbying at this time (3)(4)(5).
