

L3Harris Technologies

Subsidiaries: Aerojet Rocketdyne
Locations: Florida (HQ)
Industries: Capital Goods

RISK LEVEL:

Medium Risk

DESCRIPTION:

L3Harris is Medium Risk. The company often yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company implements race and identity-based policies that replace merit, excellence, and integrity with preferential treatment and outcomes. L3 Harris occasionally embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues at times. This approach fails to safeguard free exercise, free speech, and free enterprise.

Corporate Weaponization

Has canceled customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Medium Risk

L3Harris received a score of 95 on the 2025 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group. The company recruits employees based on sexual identity issues, indicating it prioritizes sexual issues over merit (1)(2). However, the company has not canceled customers, suppliers, or vendors based on political views or religious beliefs (3).

Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. Lower Risk

L3Harris does not discriminate against charitable organizations based on views or beliefs. The company's charitable giving focus areas are "community-based organizations and prioritizes STEM education programs and supporting military families" (1)(2).

Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature. High Risk

L3Harris's HRC 2025 CEI rating indicates the company forces employees to attend multiple, controversial trainings on gender identity, sexual orientation, transgender issues, and divisive racial ideology. The company provides gender transition guidelines for its employees and a specific benefits guide with a comprehensive explanation of transgender services funded by the company (1)(2). L3Harris' Chair and CEO Christopher Kubasik signed Catalyst's Champions for Change pledge, indicating its support of DEI in its leadership composition through the establishment of gender and racial targets (3)(4). The company does not provide viewpoint protections for its employees (5).

Corporate Governance and Public Policy

Uses corporate reputation to support causes, organizations, or policies hostile to freedom of expression. High Risk

L3Harris's HRC 2025 CEI rating indicates the company agrees to allow a controversial stakeholder group focused on sexual identity issues to dictate marketing or advertising strategy. By doing so, the company risks dividing employees, alienating customers and harming shareholders (1)(2). The company signed an open letter endorsing the Equality Act, a contentious proposal to amend the 1964 Civil Rights Act by adding sexual orientation and so-called gender identity as protected categories. The legislation would, among other implications, grant biological men access to women-only spaces such as sports teams and public restrooms, and compel healthcare providers to deliver sex-denying healthcare (3). The company's former CEO William M. Brown signed its 2019 Statement on the Purpose of a Corporation, which promotes stakeholder capitalism over traditional obligations to shareholders (4). L3Harris' CEO, Christopher E. Kubasik, signed the CEO Action for Diversity & Inclusion pledge, which includes a commitment to promote DEI through bias education training in the workplace, strategize on DEI programs/initiatives with other signatories, and engage boards of directors when developing and evaluating DEI strategies (5)(6). The company hosted a three-day DE&I conference to build leadership (7).

Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression. High Risk

L3Harris's HRC 2025 CEI rating indicates the company covers transgender related costs for its employees and their children, including paid short-term leave, puberty blockers, cross-sex hormones, chest surgeries, genital surgeries, medical visits and lab monitoring, travel and lodging. Additionally, the company has pledged philanthropic support of at least one organization or event that promotes sex and gender ideology. By allowing a political stakeholder group to dictate operations, the company increases health care costs and risks dividing employees, alienating customers and harming shareholders (1)(2). L3Harris pledged \$100,000 to the Black Lives Matter movement and related causes (3)(4). The company is a copper sponsor of Out & Equal (5). Otherwise, there are no publicly known cases of the company using corporate funds to advance ideological causes, organizations, or policies (6).

Uses corporate political actions and/or financial contributions for ideological, non-business purposes. High Risk

L3Harris's HRC 2025 CEI rating indicates the company publicly advocated for controversial sex and gender ideology through local, state or federal legislation or initiatives. By allowing a political stakeholder group to dictate operations, the company risks dividing employees, alienating customers and harming shareholders (1)(2). The company has not used its PAC donations or lobbying for ideological purposes (3)(4)(5).
