DESCRIPTION:

Infoblox is Medium Risk. The company often yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company implements race and identity-based policies that replace merit, excellence, and integrity with preferential treatment and outcomes. Infoblox occasionally embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues at times. This approach fails to safeguard free exercise, free speech, and free enterprise.

Corporate Weaponization

Has canceled customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Medium Risk

Infoblox integrates ESG into its business practices: "Environment, Social, Governance (ESG) are business imperatives for Infoblox" (1). The company promotes divisive sex and gender policies. Its Global Supplier Code of Conduct requires international vendors to include sexual orientation and gender identity in their nondiscrimination policy (2). However, Infoblox has not canceled customers, suppliers, or vendors based on political views or religious beliefs.

Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. N/A

Infoblox does not publish charitable giving guidelines (1).

Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature. High Risk

Infoblox appears to prioritize diversity over merit in its business practices. From its Diversity Webpage: "A commitment to an inclusive culture is core to who we are at Infoblox, and is a priority for our entire leadership team" (1). "Infoblox is committed to supplier diversity as part of our overall diversity strategy" (2). Infoblox does not publish a nondiscrimination policy (3).

Corporate Governance and Public Policy

Uses corporate reputation to support causes, organizations, or policies hostile to freedom of expression. **High Risk**

Infoblox's former CEO Jesper Anderson signed the CEO Action for Diversity & Inclusion pledge, which includes a commitment to promote DEI through bias education training in the workplace (1)(2). The company is committed to net zero emissions by 2050 (3). Infoblox scored a 45 out of 100 on the 2023-2024 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group (4)(5).

Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression. **Lower Risk**

Infoblox has not used corporate funds to advance ideological causes, organizations, or policies (1).

Uses corporate political actions and/or financial contributions for ideological, non-business purposes. **N/A**

Infoblox does not operate a PAC at this time and has not reported on its lobbying (1)(2)(3).
