## DESCRIPTION:

Note: This company is likely subject to the influence and control of the Chinese Communist Party, which actively censors speech and denies the freedoms we strive to protect. Therefore, 1792 Exchange urges extra caution when evaluating this vendor for business relationships.

Alibaba is High Risk. The company yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. Alibaba embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues. This approach fails to safeguard free exercise, free speech, and free enterprise.
