### DESCRIPTION:

Oil States International is Medium Risk. The company often yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company elevates merit, excellence, and integrity ahead of race and identity-based policies. The company occasionally embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues at times. This approach fails to safeguard free exercise, free speech, and free enterprise.

### Corporate Weaponization

**Has canceled customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Medium Risk**

*Oil States International integrates ESG into its business practices. From its 2025 Sustainability Report: "The Nominating, Governance and Sustainability Committee is responsible for overseeing risks related to the Company's corporate governance policies and environmental, social and governance ("ESG") matters (including climate-related risks and opportunities) and sustainability activities and practices" (1). The Company promotes divisive sex and gender policies. Its Supplier Code of Conduct requires international vendors to include sexual orientation and gender identity in their nondiscrimination policy (2). However, the Company has not canceled customers, suppliers, or vendors based on political views or religious beliefs (3).*

**Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. Lower Risk**

*Oil States International does not appear to discriminate against charitable organizations based on views or beliefs (1).*

**Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature. High Risk**

*Oil States International is an affirmative action employer. "It is also our objective to make sure that all employees have an equal opportunity to progress within the Company. Our affirmative action programs are an important tool in meeting this objective. As part of the continuing efforts to promote equal employment opportunities and affirmative action in the workplace, the Company monitors the utilization of minorities, females, the disabled and veterans within the Company and periodically reaffirms its commitment to affirmative action and equal employment opportunity" (1). The Company does not provide viewpoint protections for its employees (2).*
