

## Fitch Group

Locations: New York (HQ)

Industries: Diversified Financials

### RISK LEVEL:

High Risk

#### DESCRIPTION:

Fitch Group scored a 100 on the Human Rights Campaign's (HRC) Corporate Equality Index (CEI). By complying with the HRC's controversial demands, the company increases the risk of dividing employees, alienating customers and harming shareholders. The company covers transgender-related medical costs for its employees and their children and provides specific sexual orientation and gender identity-based benefits. It also uses sex and gender ideology criteria in employee recruitment, vendor selection, marketing, and philanthropic support. Fitch Group forces employees to undergo multiple ideological trainings and uses its reputation, corporate funds, and political influence to support controversial sex and gender ideologies, organizations, and legislation. Fitch is a copper sponsor of Out & Equal and its CEO has signed the CEO Action for Diversity and Inclusion pledge. The company has stated that it is "committed" to the proliferation of ESG practices in the private sector. For these reasons, Fitch earns a High Risk rating.

### Corporate Weaponization

**Has denied service to customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries.** **High Risk**

*Fitch received a score of 100 on the 2023 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group. The company recruits' employees based on sexual identity issues. The company discriminates against vendors that do not promote divisive sex and gender policies, indicating it prioritizes sexual issues over merit (1)(2). However, the company has not publicly terminated business relationships due to religious beliefs or political views.*

**Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs.** **High Risk**

*Fitch (1)(2).*

**Employment policies fail to protect against discrimination based on political affiliation/views and/or religion.** **High Risk**

*Fitch HRC 2023 CEI rating indicates the company forces employees to attend multiple, controversial trainings on gender identity, sexual orientation, transgender issues, and divisive racial ideology. The company provides gender transition guidelines for its employees and a specific benefits guide with a comprehensive explanation of transgender services funded by the company (1)(23)(4). The company does not provide viewpoint protections for its employees (5).*

## Corporate Governance and Public Policy

**Uses corporate reputation to support ideological causes and/or organizations hostile to freedom of expression. High Risk**

*Fitch indicates the company agrees to allow a controversial stakeholder group focused on sexual identity issues to dictate marketing or advertising strategy (1)(2). By doing so, the company risks dividing employees, alienating customers and harming shareholders. Fitch's 2021 DEI Transparency Report also states that the company is, "committed to positive and sustainable ESG performance" (3). Fitch supports ESG within its business practices (4)*

**Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression. High Risk**

*Fitch indicates the company covers transgender related costs for its employees and their children, including paid short-term leave, puberty blockers, cross-sex hormones, chest surgeries, genital surgeries, medical visits and lab monitoring, travel and lodging. Additionally, the company has pledged philanthropic support of at least one organization or event that promotes sex and gender ideology (1)(2). By allowing a political stakeholder group to dictate operations, the company increases health care costs and risks dividing employees, alienating customers and harming shareholders. Fitch (3).*

**Uses corporate political contributions for ideological, non-business purposes. High Risk**

*indicates the company publicly advocated for controversial sex and gender ideology through local, state or federal legislation or initiatives (1)(2). By allowing a political stakeholder group to dictate operations, the company risks dividing employees, alienating customers and harming shareholders. Fitch does not operate a PAC or report on its lobbying at this time (3)(4)(5)*
