RISK LEVEL:

High Risk

DESCRIPTION:

The Mosaic Co. scored a 90 on the Human Right's Campaign's (HRC) Corporate Equality Index (CEI). By complying with the HRC's controversial demands, the Mosaic Company increases the risk of dividing employees, alienating customers and harming shareholders. The company covers transgender-related medical costs for its employees and their children. It also uses sex and gender ideology criteria in employee recruitment, vendor selection, marketing, and philanthropic support. Mosaic forces employees to undergo multiple ideological trainings and uses its reputation, corporate funds, and political influence to support controversial sex and gender ideologies, organizations, and legislation. Mosaic does not provide viewpoint protections for its employees. Mosaic has implemented some ESG goals into its business practices. For these reasons, the Mosaic Company receives a High Risk rating.

Corporate Weaponization

Has denied service to customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. **Medium Risk**

Mosaic received a score of 90 on the 2023 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group. The company recruits' employees based on sexual identity issues. The company discriminates against vendors that do not promote divisive sex and gender policies, indicating it prioritizes sexual issues over merit (1)(2). However, has not publicly terminated business relationships due to religious beliefs or political views.

Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. **High Risk**

Mosaic's HRC CEI rating indicates the company will not donate to non-religious charities unless they embrace controversial sexual identity policies (1)(2). Mosaic does not discriminate against charitable organizations based on views or beliefs. However, it will only give to religious organizations that provide non-sectarian services (3).

Employment policies fail to protect against discrimination based on political affiliation/views and/or religion. **High Risk**

Mosaic's HRC 2023 CEI rating indicates the company forces employees to attend multiple, controversial trainings on gender identity, sexual orientation, transgender issues, and divisive racial ideology (1)(2). Mosaic does not provide viewpoint protections for its employees (3).

Corporate Governance and Public Policy

Uses corporate reputation to support ideological causes and/or organizations hostile to freedom of expression. High Risk

Mosaic's HRC 2023 CEI rating indicates the company agrees to allow a controversial stakeholder group focused on sexual identity issues to dictate marketing or advertising strategy (1)(2). By doing so, the company risks dividing employees, alienating customers and harming shareholders. Mosaic has begun implementing ESG practices, including various environmental and diversity targets to reach by 2025 (3).

Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression. High Risk

Mosaic's HRC 2023 CEI rating indicates the company covers transgender related costs for its employees and their children, including paid short-term leave, puberty blockers, cross-sex hormones, chest surgeries, genital surgeries, medical visits and lab monitoring, travel and lodging. Additionally, the company has pledged philanthropic support of at least one organization or event that promotes sex and gender ideology (1)(2). By allowing a political stakeholder group to dictate operations, the company increases health care costs and risks dividing employees, alienating customers and harming shareholders.

Uses corporate political contributions for ideological, non-business purposes. High Risk

Mosaic's HRC 2023 CEI rating indicates the company publicly advocated for controversial sex and gender ideology through local, state or federal legislation or initiatives (1)(2). By allowing a political stakeholder group to dictate operations, the company risks dividing employees, alienating customers and harming shareholders. Mosaic has not used its PAC donations or lobbying for ideological purposes (3)(4)(5).
