Locations: Massachusetts (HQ)

Industries: Pharmaceuticals Biotechnology and Life Sciences

RISK LEVEL:

Medium Risk

## DESCRIPTION:

Alexion often yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company elevates merit, excellence, and integrity ahead of race and identity-based policies. Alexion occasionally embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues at times. This approach fails to safeguard free exercise, free speech, and free enterprise.

However, the foundation will not give to churches or religious organizations that discriminate on the basis of gender identity, which may include several religious denominations (2).*

**Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature.** High Risk
