

Wellmark BCBS

Locations: Iowa (HQ)

Industries: Health Care Equipment and Services, Insurance

RISK LEVEL:

Medium Risk

DESCRIPTION:

Wellmark is Medium Risk. The company often yields to political activism in shaping corporate governance, potentially alienating consumers, dividing employees, and harming shareholders. The company implements race and identity-based policies that replace merit, excellence, and integrity with preferential treatment and outcomes. Wellmark occasionally embraces corporate initiatives that redirect its central focus from business goals to partisan policies and divisive issues at times. This approach fails to safeguard free exercise, free speech, and free enterprise.

Corporate Weaponization

Has canceled customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Medium Risk

Wellmark received a score of 75 on the 2025 Corporate Equality Index (CEI) from the Human Rights Campaign (HRC), a political stakeholder group. The company recruits employees based on sexual identity issues. The company discriminates against vendors that do not promote divisive sex and gender policies, indicating it prioritizes sexual issues over merit (1)(2). However, Wellmark has not publicly canceled customers, suppliers, or vendors based on political views or religious beliefs (3).

Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. High Risk

Wellmark's HRC 2025 CEI rating indicates the company will not donate to non-religious charities unless they embrace controversial sexual identity policies (1)(2). The company does not appear to discriminate against religious organizations based on views or beliefs (3).

Employment policies fail to protect against viewpoint or other discrimination and/or are ideological in nature. High Risk

Wellmark's HRC 2025 CEI rating indicates the company forces employees to attend multiple, controversial trainings on gender identity, sexual orientation, transgender issues, and divisive racial ideology. The company provides gender transition guidelines for its employees and a specific benefits guide with a comprehensive explanation of transgender services funded by the company (1)(2). Wellmark requires all employees complete Core Inclusion learning and offers courses and workshops focused on Speaking Up, Unconscious Bias, Generational Differences and Being an Ally (3). The company does not provide viewpoint protections for its employees (4).

Corporate Governance and Public Policy

Uses corporate reputation to support causes, organizations, or policies hostile to freedom of expression. High Risk

Wellmark signed an open letter in support of the Equality Act, a controversial bill (1). The company has an Inclusion Council to expand its DEI Initiatives (2). Wellmark's CEO signed the CEO Action for Diversity & Inclusion pledge, which includes a commitment to promote DEI through bias education training in the workplace (3)(4)(5).

Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression. High Risk

Wellmark's HRC 2025 CEI rating indicates the company covers transgender related costs for its employees and their children, including paid short-term leave, puberty blockers, cross-sex hormones, chest surgeries, genital surgeries, medical visits and lab monitoring, travel and lodging. By allowing a political stakeholder group to dictate operations, the company increases health care costs and risks dividing employees, alienating customers and harming shareholders (1)(2). Wellmark sponsored a complimentary performance of "As One" for the LGBTQ community (3). The BlueCross BlueShield Association and BCBS of Massachusetts are corporate partners of the National LGBT Chamber of Commerce (4).

Uses corporate political actions and/or financial contributions for ideological, non-business purposes. Lower Risk

Wellmark has not used its PAC donations or lobbying for ideological purposes (1)(2)(3).
