## DESCRIPTION:

Glassdoor, one of the largest job recruiting sites in the world, does not publish a nondiscrimination policy. However, it has not publicly terminated business relationships based on views or beliefs. The company opposed various state and local legislation intended to protect parental rights, girls' sports, bathroom facilities, and gendered spaces. Glassdoor has written articles on how to craft and implement DEI and LGBTQ policies at the workplace. The company supports the Equality Act and an amicus brief in opposition to the 2016 North Carolina bathroom bill HB2, which required people to use the bathroom of their biological sex.
