NTT Data

Locations: Japan (HQ)
Industries: Data Security

RISK LEVEL:

High Risk

DESCRIPTION:

NTT Data has not publicly terminated business relationships based on views or beliefs. By complying with Human Rights Campaign's controversial demands, NTT Data increases the risk of dividing employees, alienating customers and harming shareholders. The company covers transgender-related medical costs for its employees and their children and provides specific sexual orientation and gender identity-based benefits. It also uses sex and gender ideology criteria in employee recruitment, vendor selection, marketing, and philanthropic support. NTT Data forces employees to undergo multiple ideological trainings and uses its reputation, corporate funds, and political influence to support controversial sex and gender ideologies, organizations, and legislation. The company does not protect its employees against viewpoint discrimination. NTT Data supports the Equality Act and its CEO signed the CEO Action for Diversity and Inclusion pledge. NTT Data regularly supports LGBTQ Pride and is a brass sponsor of Out & Equal. However, the company does not discriminate against charitable organizations based on views or beliefs and has not lobbied for ideological purposes. For these reasons, NTT Data receives a High Risk rating.
