

Tri-State Generation and Transmission Association

Locations: Colorado (HQ)

Industries: Utilities

Risk Score

Lower Risk

DESCRIPTION:

Tri-State Generation and Transmission Association does not provide viewpoint protections for its employees but has not publicly terminated business relationships based on views or beliefs. However, it does not discriminate against religious organizations in its charitable giving and has not used its corporate funds for ideological purposes. For these reasons, Tri-State Generation and Transmission Association receives a Lower Risk rating.

Corporate Weaponization

Has denied service to customers, suppliers, or vendors due to their political views or religious beliefs OR corporately boycotts, divests, or sanctions regions, people groups, or industries. Lower Risk

Tri-State Generation and Transmission Association has not publicly fired customers, suppliers, or vendors based on political views or religious beliefs.

Charitable giving (including employee matching programs) policies or practices discriminate against charitable organizations based on views or religious beliefs. Lower Risk

Tri-State Generation and Transmission Association does not appear to discriminate against religious organizations in its charitable giving but focuses charitable contributions on economic development [\(1\)](#).

Employment policies fail to protect against discrimination based on political affiliation/views and/or religion. High Risk

Tri-State Generation and Transmission Association does not provide viewpoint protections for its employees [\(1\)](#).

Corporate Governance and Public Policy

Uses corporate reputation to support ideological causes and/or organizations hostile to freedom of expression. Medium Risk

Tri-State Generation and Transmission advocates for the development of zero-carbon technology. The company is a member of the Low Carbon Resource Initiative (LCRI) which is an organization devoted to "a net-zero future possible" [\(1\)](#)/[\(2\)](#).

Uses corporate funds to advance ideological causes, organizations, or policies hostile to freedom of expression. Lower Risk

Tri-State Generation and Transmission does not use corporate funds to advance ideological causes, organizations, or policies (1).

Uses corporate political contributions for ideological, non-business purposes.

N/A

Tri-State Generation and Transmission does not operate a PAC at this time and has not reported on its lobbying (1)(2)(3).
